State Road (SR) 9A/I-95 Design Projects Public Hearing

August 4, 2022

MIAMI, Fla. – The Florida Department of Transportation (FDOT) District Six will host a public hearing, both in-person and virtually, for two roadway projects along SR 9A/I-95 from the Rickenbacker Causeway to SW 25 Road and from SR 90/SW 8 Street to SW 7 Street starting at 6 p.m. on Thursday, August 4, 2022.

In-Person Public Meeting will be held at:

Miami Dade College Eduardo Padron Campus Room 201, 627 SW 27 Avenue, Miami, FL 33135. All current Centers for Disease Control and Prevention (CDC) guidelines will be observed. To RSVP click [here](#).

To register the Virtual Public Hearing online:

Visit the link: <https://register.gotowebinar.com/#register/6904499138527134988>
Participants can also call in by dialing +1 (914) 614-3221; Access code: 829-289-495

The proposed improvements include widening the roadway on I-95 southbound off ramp to SW 25 Road; rehabilitating the concrete pavement; repaving and restriping the roadway; improving lighting and signalization; reconstructing sidewalk and curb and gutter; upgrading traffic signals and signage; trimming landscape encroaching the roadway; upgrading pedestrian signing and pavement markings and upgrading guardrail.

Construction is expected to begin September 2023 and last about nine months. The estimated construction cost for this project is \$4.9 million (combined).

The meeting will consist of a formal presentation followed by an open discussion. Staff will be available to answer questions in the order they are received and as time permits. If your question is not responded to during the meeting, a response will be provided in writing afterwards.

For more information about the meeting or projects, please contact Community Outreach Specialist at (305) 470-5477 or via email at Rodolfo.Roman@dot.state.fl.us.

FDOT encourages public participation without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who need special assistance under the Americans with Disabilities Act of 1990 or who need translation services (free of charge) should contact Nicholas Danu at 305-470-5219 or in writing at FDOT, 1000 NW 111

Avenue, Miami, FL 33172 or by email at: Nicholas.Danu@dot.state.fl.us at least seven (7) days prior to the meeting.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
