### FDOT to Host Public Meetings for State Road (SR) A1A/Collins Avenue Multimodal Study

February 3, 2022 and February 7, 2022

**MIAMI, Fla.** – The Florida Department of Transportation (FDOT) District Six will host two public meetings for the SR A1A/Collins Avenue Multimodal Study from W 41 Street to W 63 Street. The first meeting will be held in-person on Thursday, February 3, 2022, starting at 3:30 p.m. and the second will be held virtually on Monday, February 7, 2022, starting at 6 p.m.

#### **The In-Person Public Meeting on Thursday, February 3, 2022, will be held at:**

Indian Beach Park, 4621 Collins Avenue, Miami Beach, FL 33140. All current Centers for Disease Control and Prevention (CDC) guidelines will be observed. To RSVP click [here](#).

#### **To attend the Virtual Public Meeting on Monday, February 7, 2022, Visit the link below:**

Participants can also call in by dialing +1 (213) 929-4212; Access code: 308-541-582.

Staff will be available to answer questions and provide assistance. Questions will be responded to as time permits, in the order received. If your question is not responded to during the event, a response will be provided in writing following the meetings.

This Planning Study is evaluating improvement alternatives for the existing conditions and multimodal needs of the corridor. The meetings will provide the community an opportunity to engage in the planning process by providing input on the proposed alternatives. For more information about the meetings or study, please contact Community Outreach Specialist Maria Alzate at (305) 560-8218 or via email at [maria@iscprgroup.com](mailto:maria@iscprgroup.com).

FDOT encourages public participation without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who need special assistance under the Americans with Disabilities Act of 1990 or who need translation services (free of charge) should contact Nicholas Danu at 305-470-5219 or in writing at FDOT, 1000 NW 111 Avenue, Miami, FL 33172 or by email at: [Nicholas.Danu@dot.state.fl.us](mailto:Nicholas.Danu@dot.state.fl.us) at least seven days prior to the meetings.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
