State Road (SR) A1A/Collins Avenue Multimodal Study Public Meetings on June 29 and June 30, 2022

MIAMI, Fla. – The Florida Department of Transportation (FDOT) District Six will host two Public Meetings for a Multimodal Study along SR A1A/Collins Avenue from W 41 Street to W 63 Street. The first meeting will be held in-person on Wednesday, June 29, 2022, starting at 5:30 p.m. and the second will be held virtually on Thursday, June 30, 2022 starting at 6 p.m. The same information will be shared at both events.

Attend In-Person on Wednesday, June 29, 2022:

Indian Beach Park, 4621 Collins Avenue, Miami Beach, FL 33140. The meeting will consist of an open house format starting at 5:30 p.m. All current Centers for Disease Control and Prevention (CDC) guidelines will be observed. To RSVP click [here](#).

Attend Virtually on Thursday, June 30, 2022:

Visit the link: <https://attendee.gotowebinar.com/register/4865836355723840013>. Participants can also call in by dialing +1 (877) 309-2071; Access code: 547-064-512. The meeting will consist of a formal presentation starting at 6 p.m.

Staff will be available to answer questions and provide assistance. Questions will be responded to as time permits, in the order received. If your question is not responded to during the event, a response will be provided in writing following the meetings.

This Planning Study is evaluating improvement alternatives for the existing conditions and multimodal needs of the corridor. The meetings will provide the community an opportunity to engage in the planning process by providing input on the proposed alternatives.

For more information about the meetings or study, please contact Community Outreach Specialist Maria Alzate at (305) 560-8218 or via email at maria@iscprgroup.com.

FDOT encourages public participation without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who need special assistance under the Americans with Disabilities Act of 1990 or who need translation services (free of charge) should contact Nicholas Danu at 305-470-5219 or in writing at FDOT, 1000 NW 111 Avenue, Miami, FL 33172 or by email at: Nicholas.Danu@dot.state.fl.us at least five (5) days prior to the meetings.

###

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
