Participants can also call in by dialing +1 877 309 2071; Access code: 817-312-368

Proposed improvements include: Widening the Interstate 95 (I-95) southbound (SB) off-ramp at SW 7 St to four lanes; closing SW 4 Avenue at SW 7 Street and converting the traffic pattern along SW 4 Avenue between SW 6 Street and SW 7 Street from one way southbound to two-lane, two-way traffic; widening SW 3 Avenue between SW 6 Street and SW 7 Street and converting the traffic pattern from one-way northbound to three-lane, two-way traffic; upgrading midblock crossing on SW 7 Street between SW 18 Avenue and SW 19 Avenue; enhancing signalization at several intersections and adding video detection systems; replacing roadway and pedestrian signage, curb ramps and lighting at several intersections; upgrading stormwater systems; repaving and restriping the road; realigning the north side of South Miami Avenue: extending the curb at SW 1 Court and the median at SW 2 Avenue; modifying the south curb at SW 7 Street and 90 block; adding new crosswalks at SW 1 Court and South Miami Avenue; reconstructing damaged driveways and sidewalks; providing a pedestrian refuge island at Brickell Avenue.

Construction is scheduled to start in fall 2026 and last about a year and two months. The preliminary construction cost is \$13.6 million. Please note, the schedule and cost are subject to change.

The meeting will consist of a formal presentation followed by an open discussion. Staff will be available to answer questions in the order they are received and as time permits. If your question is not responded to during the meeting, a response will be provided in writing afterwards.
