Full Closure of NW 22 Court for Railroad Crossing Reconstruction, February 16 to February 21

MIAMI, Fla. – The South Florida Regional Transportation Authority (SFRTA) in coordination with the Florida Department of Transportation (FDOT), will close NW 22 Court from NW 21 Terrace to NW 23 Street starting at 6 p.m. Friday, February 16, through 5 a.m. Wednesday, February 21, weather permitting.

This detour is being established to allow workers to rehabilitate the railroad crossing. During this closure, all traffic will be detoured away from the crossing and directed to follow signs to alternate local streets. Traffic will be detoured as follows:

Westbound Detour:

- Turn left on NW 21 Terrace
- Turn right on NW 23 Avenue
- Turn right on NW 23 Street to get back to NW 22 Court

Eastbound Detour:

- Turn right on NW 23 Street
- Turn left on NW 23 Avenue
- Turn left on NW 21 Terrace to get back to NW 22 Court

Please note that this schedule may change due to bad weather or other unforeseen conditions.

For more information, please contact FDOT's Public Information Office at (305) 470-5349, or the FDOT Consultant Project Manager Javier Hurtado at (305) 470-5166, or by email at Javier.Hurtado@dot.state.fl.us.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation (FDOT) reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and

its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
