### **Lane Closure on the Westbound I-395 Ramp to Northbound I-95 Begins April 22**

**Miami, Fla.** – On Wednesday morning, April 22, one of two lanes on the westbound I-395 ramp to northbound I-95 will be closed continuously for a period of approximately 18 months. (Thursday morning, April 23 is the alternate date.)

The long-term ramp lane closure will allow the contractor to reconstruct portions of I-95 where the eastbound SR 836 and westbound I-395 enter I-95 as well as reconstruct the ramp. One lane will remain open during peak travel periods.

**Please note that this schedule may change due to bad weather or other unforeseen conditions.** The closures are part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge, including the construction of a Signature Bridge over NE 2 Avenue and Biscayne Boulevard; double-deck SR 836 from west of NW 17 Avenue to the Midtown Interchange and the replacement of the concrete pavement on I-95 from NW 8 Street to NW 29 Street.

For more information, please call Construction Community Outreach Specialist Oscar Gonzalez at (786) 280-0983 or go to the website at [www.I-395miami.com](http://www.I-395miami.com). For around-the-clock, real time, traffic information, call 511 or go to [www.fl511.com](http://www.fl511.com). Remember: stay safe. Stay in your lane.
