**State Road (SR) A1A/MacArthur Causeway
Eastbound Right Lane Continuous Closure Starts Night of August 7**
Eastbound left lane to reopen

Miami, Fla. – On Wednesday night, August 7, the contractor will establish a new work zone along the eastbound right lane on the SR A1A/MacArthur Causeway East Bridge (bridge number 870077). To set up the new work zone, two eastbound lanes will be closed Wednesday and Thursday night from 10 p.m. to 6 a.m. while the contractor moves the barrier wall and restripes the roadway.

By 6 a.m. Friday, August 9, the left lane will reopen and the right lane will be continuously closed for approximately two months while workers replace the bridge deck in this area. The center lane will be closed during nighttime hours as needed.

Please note that this schedule may change due to bad weather or other unforeseen conditions.

The closures are part of the SR A1A/MacArthur Causeway Bridge Rehabilitation Project. For more information, please call FDOT's Public Information Office at (305) 470-5349 or Construction Community Outreach Specialist Melissa Rodriguez at 1 (305) 570-8076 or go to the website at www.fdotmiamidade.com/macarthur.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.
