Northbound I-95 On-Ramp at NW 8 Street Lane Closures Begin October 25

MIAMI, Fla. – Beginning Sunday, October 25, between 9 p.m. and 5:30 a.m., the Florida Department of Transportation (FDOT) will close two right lanes on NW 3 Avenue at the NW 8 Street/I-95 on-ramp, for utility work. One lane will remain open. This work is part SR 925/NW 3 Court/NW 3 Avenue roadway project from NW 1 Avenue to NW 8 Street and is expected to last about two weeks.

Please note this schedule may change due to bad weather of other unexpected conditions.

For more information, please contact FDOT's Public Information Office at (305) 470-5349 or Community Outreach Specialist Christian Gonzalez at (786) 837-4884, or visit www.fdotmiamidade.com

Drivers are encouraged to call 511 or visit www.fl511.com before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
