March 14, 2024

Contact: Tish Burgher

(305) 470-5277 | Tish.Burgher@dot.state.fl.us

Weekend Closure of NE 1 Avenue Starts March 16

MIAMI, Fla. – NE 1 Avenue, in Downtown Miami, will be closed between NE 11 Street and NE 13 Street from 5:30 a.m., Saturday, March 16 until 5:30 a.m., Monday, March 18, to allow workers for the I-395/State Road (SR) 835/I-95 Design Build Project to safely remove bridge structures over the roadway. Drivers on NE 1 Avenue can :

- Turn right on NE 10 Street, then turn left on Biscayne Boulevard
- Turn left on NE 13 Street to connects with NE 1 Avenue or access the westbound I-395 ramp

Closure and detour information can be seen [HERE](#). Nearby residents and businesses should anticipate elevated noise levels during the demolition activities. The contractor will implement measures to minimize dust impacts.

Information on additional lane and ramp closures associated with the project can be seen [HERE](#). Please note that this schedule may change due to bad weather or other unforeseen conditions. The work is part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge.

For additional information, please contact the Florida Department of Transportation Communications Office at 305-470-5349 or Community Outreach Specialist Oscar Gonzalez at 786-280-0983. Additional project information can be found on the project website, www.I-395miami.com.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
