NW 10 Avenue Rail Crossing Closure from September 22 to September 27

MIAMI, Fla. – The South Florida Regional Transportation Authority (SFRTA) in coordination with the Florida Department of Transportation (FDOT), will close NW 10 Avenue from NW 165 Street to NW 166 Street starting at 7:00 p.m. Friday, September 22 through 5:00 a.m. Wednesday, September 27.

This detour allows workers to rehabilitate the railroad crossing. During this closure, all traffic will be detoured away from the crossing and directed to follow signs to alternate local streets. Traffic will be detoured as follows:

Northbound Detour:

- Turn right on NW 13 Avenue
- Turn left on NW 159 Drive to get back to NW 10 Avenue

Southbound Detour:

- Turn left on NW 166 Street
- Turn right on NW 13 Street
- Turn right on NW 163 Drive to get back to NW 10 Avenue

Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please contact FDOT's Public Information Office at (305) 470-5349, or the FDOT Consultant Project Manager Javier Hurtado at (305) 470-5166, or by email at Javier.Hurtado@dot.state.fl.us.

Drivers are encouraged to log on to <http://www.fl511.com> before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.

###

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
