Full Closure of NW 35 Avenue for Railroad Crossing Reconstruction, May 18 to May 22

MIAMI, Fla. – The South Florida Regional Transportation Authority (SFRTA) in coordination with the Florida Department of Transportation (FDOT), will close NW 35 Avenue from NW 58 Street to NW 60 Street starting at 7 p.m. Saturday, May 18, through 4 a.m. Wednesday, May 22, weather permitting.

This detour is being established to allow workers to rehabilitate the railroad crossing. During this closure, all traffic will be detoured away from the crossing and directed to follow signs to alternate local streets. Traffic will be detoured as follows:

Southbound Detour:

- Turn right on NW 60 Street
- Turn left on NW 37 Avenue
- Turn left on NW 55 Street to go back to NW 35 Avenue

Northbound Detour:

- Turn left on NW 58 Street
- Turn right on NW 37 Avenue
- Turn right on NW 60 Street to go back to NW 35 Avenue

Please note that this schedule may change due to bad weather or other unforeseen conditions.

For more information, please contact FDOT's Public Information Office at (305) 470-5349, or the FDOT Consultant Project Manager Javier Hurtado at (305) 470-5166, or by email at Javier.Hurtado@dot.state.fl.us.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation (FDOT) reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
