FDOT to Host Public Meeting for the SR 948/NW 36 Street Improvements Corridor Study & the NW 67 Avenue Improvements Corridor Study

October 30, 2023

MIAMI, Florida. – The Florida Department of Transportation (FDOT) will host a public meeting both in-person and virtually, for the State Road (SR) 948/NW 36 Street from SR 826/Palmetto Expressway to SR 5/US 1 Multimodal Study, in Miami-Dade County. This planning study is evaluating and developing improvements to address existing and future multimodal needs along the corridor.

Additionally, FDOT will also be presenting the NW 67 Avenue Corridor Improvements Study. The NW 67 Avenue corridor is approximately 0.81 miles long from SR 948/NW 36 Street and NW 22 Street, which is adjacent to the western section of the Miami International Airport (MIA) in Miami-Dade County, Florida. This corridor study will identify congestion management, safety mitigation strategies, multimodal and accessible transportation options, and innovative technology to improve overall quality of life along NW 67 Avenue.

The workshops will provide the community with an opportunity to evaluate the proposed alternatives. The information shared at both meetings will be the same. The In-Person meeting will be held on **Monday, October 30, 2023, at 6 p.m. – 8 p.m.** The Virtual meeting will be held on **Monday, October 30, 2023, at 12 p.m. – 2 p.m.**

In-Person Public Meeting:

Miami Springs Aquatic Center multi-purpose room located at 1401 Westward Drive, Miami Springs, FL 33166.

Virtual Public Meeting:

Visit the link: <https://attendee.gotowebinar.com/register/2143600606908804698>

Participants can also call in by dialing +1 (213) 929-4221 or toll free at +1 (877) 568-4108: Access Code 654-867-747

The public meeting will consist of a formal presentation followed by an open discussion. Staff will be available to answer questions as time permits, in the order received. If your question is not responded to during the event, a response will be provided in writing after the meeting.

FDOT encourages public participation without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons who need special assistance under the Americans with Disabilities Act of 1990, or who need translation services (free of charge), should contact Tish Burgher at (305) 470-5277 or in writing at FDOT, 1000 NW 111 Avenue, Miami, FL 33172 or by email at: Tish.Burgher@dot.state.fl.us at least seven (7) days prior to the workshops.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
