### **Weekend Closure of NE 3 Avenue and Daytime Closures of NW 14 Street begin April 26**

**MIAMI, Fla.** – NE 3 Avenue and NW 14 Street will be closed as noted below to safely perform bridge demolition activities over the roadways. Nearby residents and businesses should anticipate elevated noise levels during the demolition activities. The contractor will implement measures to minimize dust impacts. The operations will involve large machinery and walking through the work zones is strictly prohibited. The work and closures are being implemented during the weekend and daytime hours to minimize noise impacts to nearby residents during the overnight hours.

NW 3 Avenue will be closed from NW 14 Street to NW 15 Street starting at **10 p.m. on FRIDAY, APRIL 26 until 5:30 a.m. on MONDAY, APRIL 29**. Drivers and pedestrians can use the detours shown [HERE](#). Access to businesses will be maintained.

- Drivers on northbound NW 3 Avenue can:
  - Turn right on NW 14 Street, then turn left on NW 1 Avenue
  - Turn left on NW 16 Street to connect with NW 3 Avenue
- Drivers on southbound NW 3 Avenue can:
  - Turn left on NW 16 Street, then turn right on NW 2 Avenue
  - Turn left on NW 15 Street, then turn right on NW 1 Avenue
  - Turn right on NW 14 Street to connect with NW 3 Avenue

Starting on **MONDAY, APRIL 29**, NW 14 Street will be closed daily from NW 3 Avenue to NW 1 Place between the hours 8 a.m. to 4 p.m. The closures will be implemented Mondays through Saturdays until further notice. The following detours will be in place during the roadway closures:

- Drivers on eastbound NW 14 Street can:
  - Turn right on NW 3 Avenue, then turn left on NW 13 Street
  - Turn left on NW 1 Place to connect with NW 14 Street
- Drivers on westbound NW 14 Street can:
  - Turn right on NW 1 Place, then turn left on NW 15 Street
  - Turn right on NW 2 Avenue to continue onto NW 15 Street
  - Turn left on NW 3 Avenue to connect with NW 14 Street

TO VIEW THE DETOUR ROUTES PLEASE [CLICK HERE](#)

Information on additional lane and ramp closures associated with the project can be seen [HERE](#). Please note that this schedule may change due to bad weather or other unforeseen conditions. The work is part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge.

For additional information, please contact the Florida Department of Transportation Communications Office at 305-470-5349 or Community Outreach Specialist Oscar Gonzalez at 786-280-0983. Additional project information can be found on the project website, [www.I-395miami.com](http://www.I-395miami.com).

Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
