New Seven Mile Bridge Lane Shift to Occur July 27 and 28

Along State Road (SR) 5/US 1/Overseas Highway

Miami, Fla. – On Monday, July 27 and Tuesday, July 28, there will be a single lane shift on the New Seven Mile Bridge located over Moser Channel, between MM 40 and MM 46.8, while the contractor performs repair work. The work will be completed daily between 9 a.m. and 4 p.m. To perform this work safely, traffic along the bridge will be shifted around the work zone.

This schedule may change due to bad weather or other unforeseen conditions.

For more information, please call Construction Community Outreach Specialist Paulette Summers at (786) 510-3921, or FDOT's Public Information Office at (305) 470-5349, or go to the website at www.fdotmonroe.com.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please use caution when traveling through construction zones.
