SR A1A/South Roosevelt Boulevard Nighttime Road Closure Begins Monday, August 19

Miami, Fla. – The inbound and outbound travel lanes of State Road (SR) A1A/South Roosevelt Boulevard at the corner of Bertha Street will be closed nightly, from 9:30 p.m. to 5 a.m., Monday, August 19 through Thursday, August 22. This closure allows workers to install a Florida Keys Aqueduct Authority (FKAA) water main. Motorists should plan an alternate route during the nighttime closure. The promenade will remain open for pedestrians and cyclists.

Access to Key West International Airport, and businesses and residences east of Bertha Street, will be from the east/inbound side of SR A1A/South Roosevelt Boulevard, via Flagler Avenue or SR US1/North Roosevelt Boulevard.

Please follow all posted signage and note that this schedule may change due to weather or other unexpected conditions.

For more information, please contact FDOT's Communications Office at (305) 470-5349 or Community Outreach Specialist Julie Brown at (305) 927-1479 or at Julie.Brown@dot.state.fl.us or visit our website at www.southflroads.com.

For real-time traffic and lane closure information, drivers are encouraged to visit www.fl511.com.

Remember, wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Always be safe and remain alert while driving in construction zones.
