### **Nighttime Closures on Hialeah Gardens Blvd Begin December 15**

*Between NW 138 Street and West 84 Street/Graham Dairy Road*

**MIAMI, Fla.** – On Tuesday, December 15 and Wednesday, December 16, 2020, the Florida Department of Transportation (FDOT) will perform temporary nighttime full closures along Hialeah Gardens Blvd between NW 138 Street and West 84 Street/Graham Dairy Road, between the hours 8 p.m. and 8 a.m., for the removal of the old traffic signal mast arms.

Four mast arms will be removed at the intersection of West 84 Street/Graham Dairy Road and one will be removed at the northbound I-75 entrance ramp, utilizing a temporary full closure at each location.

The City of Hialeah Police Department will assist with directing traffic through the area. Drivers should anticipate delays and seek alternate routes if possible. Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or go to the website at [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to call 511 before they travel or log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
