Nighttime Lane Closures at State Road (SR) 985/SW 107 Avenue and SW 24 Street/Coral Way Begin October 30

MIAMI, Fla. – Beginning Monday, October 30 through Friday, November 10, at least one lane in each direction through the intersection of SR 985/SW 107 Avenue and SW 24 Street/Coral Way will be closed to pave the road between the hours of 9 p.m. and 5:30 a.m.

During this operation, at least one lane in each direction of the intersection will remain open at all times. Law enforcement will be on-site to assist with traffic. Drivers might experience delays traveling through the area and should seek alternate routes if possible.

Please use caution when traveling through construction zones and note that this schedule may change due to bad weather or other unexpected conditions.

This work is part of the ongoing intersection project along SR 985/SW 107 Avenue at SW 24 Street/Coral Way. For more information, please contact FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or ChristianS.Gonzalez@dot.state.fl.us. For additional information about this or other FDOT projects, please visit www.southflroads.com.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
