FDOT to Host a Public Meeting for a Traffic Safety Project

State Road (SR) 907/Alton Road from 43 Street to westbound SR 112/I-195/Julia Tuttle Causeway

Miami, FL – The Florida Department of Transportation (FDOT) District Six will host a Public Meeting for a traffic safety project along SR 907/Alton Road from 43 Street to westbound SR 112/I-195/Julia Tuttle Causeway, in Miami-Dade County. Construction is expected to begin in June 2021 and last about 22 months. The estimated construction cost for this project is about \$2 million.

A Public Meeting will be held from 6 p.m. to 8 p.m. on Tuesday, August 20, 2019 at the Miami Beach Golf Club, 2301 Alton Road, Miami Beach, FL 33140. Graphic displays will be shown during the meeting, and FDOT representatives will be available to discuss the project.

The proposed improvements include: widening the SR 112/I-195/Julia Tuttle Causeway westbound on-ramp from one to two lanes; widening the eastbound approach to the SR 907/Alton Road and 43 Street intersection for the accommodation of a free flow right turn lane; widening southbound SR 907/Alton Road, south of 43 Street, to provide a dedicated acceleration lane; modifying existing drainage, signing, lighting, signalization and landscape, and repaving and restriping the roadway.

Please contact Community Outreach Specialist Rodolfo Roman if you have any questions about project 430444-3-52-01 at 305-470-5477 or email at Rodolfo.Roman@dot.state.fl.us.

FDOT encourages public participation without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who need special assistance under the Americans with Disabilities Act of 1990 or who need translation services (free of charge) should contact Hong Benitez, P.E. at 305-470-5219 or in writing to FDOT, 1000 NW 111 Avenue, Miami, FL 33172 or by email at: Hong.Benitez@dot.state.fl.us at least seven days prior to the public meeting.
