Ramp Closures at Various Locations Along I-95 Begin October 16

As Part of FDOT's Wrong-Way Driving Initiative

MIAMI, Fla. – Beginning Monday, October 16 through Thursday, October 19, the following ramps along I-95 will be closed to pave the road:

- **Monday, October 16 and Tuesday, October 17** – Southbound I-95 off-ramp to Opa-Locka Boulevard (Exit 10B) will be closed from 9 p.m. to 5:30 a.m. Drivers can:
 - Exit right at NW 125 Street
 - Turn right on NW 7 Avenue to access Opa-Locka Boulevard
- **Wednesday, October 18 and Thursday, October 19** – Northbound I-95 off-ramp to NW 151 Street (Exit 11) will be closed from 9 p.m. to 5:30 a.m. Drivers can:
 - Exit right to SR 826/Palmetto Expressway off-ramp
 - Turn right on NW 2 Avenue
 - Turn right on NW 165 Street/NW 6 Avenue to access NW 151 Street

Drivers might experience delays traveling through the area and should seek alternate routes if possible. Please use caution when traveling through construction zones.

Please follow all posted signage and note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please contact FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Dayana Sanjurjo at (786) 239-8862 or dsanjurjo@mrgmiami.com. For additional information about this or other FDOT projects, please visit www.southflroads.com.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
