### **Roadway Construction on SR 25/NW 36 Street Begins July 20**

*From NW 5 Avenue to North Miami Avenue*

**Miami, Fla.** – The Florida Department of Transportation (FDOT) will begin a roadway construction project the week of July 20, 2020 along SR 25/NW 36 Street from NW 5 Avenue to North Miami Avenue. The project will cost an estimated \$630,688.

The work will last roughly five months and include the following: restricting left turn movement along westbound SR 25/NW 36 Street at the intersections of NW 3 and NW 1 Avenue; restricting left turn movement along southbound NW 3 and NW 1 Avenue to eastbound SR 25/NW36 Street; upgrading pedestrian signals and repaving crosswalks at the intersections of NW 5 and NW 2 Avenue; installing a new traffic signal at North Miami Avenue; and repaving and restriping the roadway.

To build this project safely, it will be necessary to close travel lanes and sidewalks, and establish detours at times. Work will be done in stages to minimize construction-related impacts.

**Please use caution when traveling through construction zones and note that this schedule may change due to bad weather or other unexpected conditions.**

For more information, please call FDOT's Public Information Office at (305) 470-5349 or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884, or go to the website at [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to call or [fl511](tel:311) before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.
