Nighttime Lane Closures at the Intersection of State Road (SR) 7/ NW 2 Avenue and NW 183 Street/Miami Gardens Drive Begin August 16

MIAMI, Fla. – Beginning Tuesday, August 16 through Thursday, August 18, 2022, between the hours of 9 p.m. and 5:30 a.m., the following travel lanes will be closed at the intersection of SR 7/NW 2 Avenue and NW 183 Street/Miami Gardens Drive for signalization work:

- Two inside left turn lanes along northbound/southbound SR 7/NW 2 Avenue
- Two inside left turn lanes along eastbound/westbound NW 183 Street/Miami Gardens Drive
- Two inside through lanes along eastbound/westbound NW 183 Street/Miami Gardens Drive

During this nighttime operation, motorists traveling along eastbound and westbound NW 183 Street/Miami Gardens Drive will be detoured to turn right onto SR 7/NW 2 Avenue and make the next available U-turn. Drivers might experience delays traveling through the area and should seek alternate routes if possible.

Please use caution when traveling through construction zones and note that this schedule may change due to bad weather or other unexpected conditions.

This work is part of the ongoing FDOT roadway project along SR 7/NW 2 Avenue from SR 860/NW 183 Street/Miami Gardens Drive to NW 188 Street. For more information, please contact FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or csgonzalez@corradino.com. For additional information about this or other FDOT projects, please visit www.fdotmiamidade.com.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
