State Road (SR) 90/SW 8 and SW 137 Avenue Lane Closures Begin December 6

MIAMI, Fla. – Beginning Monday, December 6, the northbound and southbound inside lanes of SW 137 Avenue approaching SW 8 Street will be closed Monday through Friday, between the hours of 9 a.m. and 3:30 p.m., for reconstruction of the traffic separator. The inside left turn lane from eastbound SW 8 Street to northbound SW 137 Avenue will also be closed.

Work is expected to last about one month. Drivers might experience delays traveling through the area and should seek alternate routes if possible.

Please note this schedule may change because of bad weather or other unexpected conditions.

For more information, please contact FDOT's Public Information Office at (305) 470-5349, or Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or csgonzalez@corradino.com. For additional information about this or other FDOT projects, please visit www.fdotmiamidade.com.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
