State Road (SR) 112/I-195/Julia Tuttle Causeway Nighttime Lane Closures Begin April 10

MIAMI, Fla. – Beginning Sunday, April 10 through Friday, May 6, 2022, two travel lanes will be closed nightly along SR 112/I-195/Julia Tuttle Causeway for maintenance. Bridge work will take place along the western side of Biscayne Bay, in the City of Miami. The lane closures will be approximately one mile, beginning near Martell Park. Lane closures will occur in one direction at a time, beginning with the eastbound lanes and then westbound lanes.

Between Sunday, April 10 and Friday, April 22, two eastbound lanes will be closed from 11 p.m. to 6 a.m. A single lane may be closed as early as 9 p.m., to establish the work zone. All lanes will reopen by 6 a.m.

Between Sunday, April 24 and Friday, May 6, two westbound lanes will be closed from 11 p.m. to 6 a.m. A single lane may be closed as early as 9 p.m., to establish the work zone. All lanes will reopen by 6 a.m.

Please note that this schedule may change due to bad weather or other unexpected conditions.

This work is part of the ongoing SR 112/I-195/Julia Tuttle Causeway Bridge Rehabilitation Project. For more information, please call FDOT's Public Information Office at (305) 470-5349 or Senior Construction Community Outreach Specialist Melissa J. Rodriguez at 1 (305) 570-8076 or go to the website at <http://www.fdotmiamidade.com>.

Drivers are encouraged to log on www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicles crashes. Please drive cautiously in construction zone.

###

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
