Miami, Fla. – On Friday, May 8, 2020, between the hours of 11 p.m. and 7 a.m., the Florida Department of Transportation (FDOT) will close the intersection of SR 25/NE 36 Street and NE 1 Avenue in order to perform nighttime paving operations.

During the paving operations, crews will continue to maintain travel lanes along SR 25/NE 36 Street, while periodically closing them to perform the work safely. No detours will be implemented at this time. Please use caution when traveling through the work zone.

Drivers should anticipate delays traveling through this area and seek alternative routes if possible. Please note that this schedule may change due to bad weather or other unexpected conditions.

Drivers are encouraged to call 511 before they travel or log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.
