### **State Road (SR) 5/Overseas Highway Northbound Lane Closures Resume January 3**

*From Mile Marker (MM) 98.0 to MM 99.0*

**MIAMI, Fla.** – Beginning Wednesday, January 3 through Friday, January 12, a single lane closure will resume along northbound SR 5/Overseas Highway, from MM 98.0 to MM 99.0, between 8:15 a.m. to 3 p.m. In addition to the daytime lane closure, a nighttime lane closure will occur from 8 p.m. to 6 a.m.

Crews are preparing the area for upcoming scheduled drainage work. No lane closures will occur on Saturdays or Sundays.

**Please follow all posted signage and note that this schedule may change due to bad weather or other unexpected conditions.**

This work is part of the ongoing roadway project along Overseas Highway from Mile Marker (MM) 97.0 to MM 100.0. For more information, please contact FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Paulette Summers at (786) 510-3921 or [psummers@mrqmiami.com](mailto:psummers@mrqmiami.com). For additional information about this or other FDOT projects, please visit [www.southflroads.com](http://www.southflroads.com).

Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
