Please note that this schedule may change due to bad weather or other unforeseen conditions. Drivers should anticipate delays and seek alternate routes if possible.

The Palmetto Expressway Capacity Improvement Project includes modifying the southbound flyover from westbound NW 103 Street/W 49 Street to southbound SR 826 and widening the SR 826 bridge over NW 103 Street/W 49 Street to create an additional general-purpose lane. In addition, the express lane entrance at NW 154 Street/Miami Lakes Drive will be relocated to NW 103 Street/W 49 Street to allow access to the express lanes from NW 154 Street and NW 122 Street/W 68 Street. Construction began in April 2022 and will last about 30 months. This project will cost an estimated \$66 million.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation (FDOT) reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.
