### **Nighttime Closures along State Road (SR) 826/Palmetto Expressway at NW 37 Avenue Begin May 9**

*For Intelligent Transportation Systems (ITS) Project*

**MIAMI, Fla.** – Beginning Tuesday, May 9 there will be lane closures and detours along eastbound SR 826/Palmetto Expressway at NW 37 Avenue to perform work as part of the ITS Replacement Project. These closures will occur nightly through Thursday, May 11, 2023. The lane closures are as follows:

#### **Tuesday, May 9 through Thursday, May 11 from 11 p.m. to 5 a.m.**

Two eastbound lanes along SR 826/Palmetto Expressway between NW 37 Avenue and NW 27 Avenue will be closed. One lane will remain open at all times. The eastbound SR 826/Palmetto Expressway entrance ramp at NW 37 Avenue will also be closed. A detour will be established for those traveling east along NW 167 Street wishing to enter eastbound SR 826/Palmetto Expressway.

Drivers traveling east along NW 167 Street will have to:

- Continue east along NW 167 Street
- Enter the expressway at the eastbound SR 826/Palmetto Expressway entrance ramp just east of NW 27 Avenue

Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at (305) 470-5349 or Construction Senior Community Outreach Specialist Sandra Bello at (305) 510-0827 or go to the website at [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to log on to <http://www.fl511.com> before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
