## **FDOT State Road (SR) 90/US 41/SW 8 Street at SW 70 Avenue Around-the-Clock Lane Closure Begins June 19**

**MIAMI, Fla. – MIAMI, Fla.** – Beginning the week of June 19, the outside lane of SR 90/SW 8 Street will be closed at SW 70 Street around-the-clock so workers can complete stormwater drainage improvements in the area. One westbound travel lane will remain open. This work will take about two weeks.

The Walmart business property exit from southbound SW 70 Avenue to SW 8 Street will also be closed and a detour will be in place. Motorists who wish to travel eastbound onto SW 8 Street when exiting the business property will follow this detour:

- Turn right onto westbound SW 8 Street
- Turn left onto southbound SW 72 Avenue
- Turn left onto SW 9 Street
- Turn left onto northbound SW 70 Avenue
- Turn right to connect with eastbound SW 8 Street

Please refer to the detour map below for a visual representation of the detour route. Access will remain open to go north on SW 70 Avenue from SW 8 Street to enter the business property.

**Please note that this schedule may change due to bad weather or other unforeseen conditions.** Drivers should anticipate delays and seek alternate routes if possible. Access to and from adjacent neighborhoods and businesses will be maintained during construction.

## LANE CONFIGURATION AND DETOUR MAP

For more information, please call FDOT's Public Information Office at (305) 470-5349 or contact Community Outreach Specialist Jeff Baquedano at (786) 510-6113 or by email at [Jeff.Baquedano@dot.state.fl.us](mailto:Jeff.Baquedano@dot.state.fl.us) or go to the website at [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. FDOT reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
