SR 916/NW 135 Street/NW 136 Street Road Closure and Detours Begins the week of October 7, 2024 *Along the Opa-locka Boulevard Extension*

MIAMI, Fla. – As part of the ongoing State Road (SR) 916/NW 135 Street/NW 136 Street Roadway Project, the Florida Department of Transportation (FDOT) will be implementing the first of three temporary road closures and detours along the project limits beginning on October 7, 2024.

This closure is expected to last two to three months and will allow crews to safely construct the new southeast-bound portion of the Opa-locka Boulevard Connector as shown below. Access to businesses along Opa-locka Boulevard will always be maintained. The speed limit throughout the work zone will remain 35 miles per hour.

Motorists traveling southeast on Opa-locka Boulevard wishing to access westbound SR 916 WB/Opa-locka Boulevard should:

- Turn left on Superior Street
- Turn right on SR 9/NW 27 Avenue
- Turn right on westbound SR 916 WB/Opa-locka Boulevard

Detours will be clearly marked. Please follow the posted signage and note that drivers may experience delays traveling through the area. This schedule may change due to weather or other unexpected conditions.

For more information, please contact FDOT's Communication Office at (305) 470-5349 or Construction Community Outreach Specialist, Aliyah Gomez at (786) 774-9714 or Aliyah.gomez@dot.state.fl.us or visit our website at www.southflroads.com.

For real time traffic and lane closure information, drivers are encouraged to visit www.fl511.com.

Remember, wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Always be safe and remain alert while driving in construction zones.
