State Road (SR) 924/NW 119 Street Nighttime Roadway Paving Begins May 4

From NW 22 Avenue to NW 7 Avenue

MIAMI, Fla. – Beginning tonight, Wednesday, May 4 through Thursday, May 12, 2022, one inside travel lane along eastbound and westbound SR 924/NW 119 Street will be closed from NW 22 Avenue to NW 7 Avenue, between the hours of 9 p.m. and 5:30 a.m., for nighttime roadway paving.

Crews will proceed with the following schedule:

- **Eastbound Lane Closure** – Wednesday night, May 4 through Thursday night, May 5, 2022
- **Westbound Lane Closure** – Monday night, May 9 through Thursday night, May 12, 2022

No nighttime work is schedule between Friday, May 6 and Sunday, May 8 in observance of Mother's Day Weekend. Drivers might experience delays traveling through the area and should seek alternate routes if possible.

Please use caution when traveling through construction zones and note that this schedule may change due to bad weather or other unexpected conditions.

This work is part of FDOT's ongoing roadway project along SR 924/NW 119 Street from NW 27 Avenue to NW 7 Avenue. For more information, please contact FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or csgonzalez@corradino.com. For additional information about this or other FDOT projects, please visit www.fdotmiamidade.com.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
