### **SR 925/NW 3 Court/NW 3 Avenue Lane Closures Begin Tonight**

**MIAMI, Fla.** – Beginning tonight, Monday, March 15 through Thursday, March 18, temporary lane closures and detours will be established at the following intersections between 9 p.m. and 5:30 a.m. for traffic signal work.

**NW 3 Court at NW 5 Street (eastbound closure underneath I-95):** Motorists will turn right onto southbound SR 925/NW 3 Court; turn left onto NW 4 Street; and turn left onto northbound SR 925/NW 3 Avenue in order access NW 5 Street.

**NW 3 Avenue at NW 2 Street (westbound closure underneath I-95):** Motorists will turn right on northbound SR 925/NW 3 Avenue; turn left onto NW 3 Street; and turn left onto southbound SR 925/NW 3 Court to access NW 2 Street.

**NW 3 Avenue at NW 2 Street (eastbound closure underneath I-95):** Motorists will turn right onto southbound SR 925/NW 3 Court; turn right onto NW 1 Street; turn left onto NW North River Drive; turn left onto West Flagler Street; and turn left onto northbound NW 2 Avenue to access NW 2 Street.

Only one intersection will be closed at a time and police officers will direct traffic through the area during this work.

Please note that this schedule may change due to bad weather or other unexpected conditions. For more information, please call FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or go to the website at [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please remember to drive cautiously in construction zones.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
