State Road (SR) 934/NW 74 Street (Perimeter Road) Extended Lane Closures Begin July 27

MIAMI, Fla. – On Thursday, July 27, the following lanes **will be closed past the standard lane closure reopening hour of 3:30 p.m.** at the intersection of NW 74 Street (Perimeter Road) and NW 72 Avenue/Milam Dairy Road to install traffic signal foundations:

- One westbound left turn lane of NW 74 Street (Perimeter Road)
- One southbound outside lane of NW 72 Street/Milam Dairy Road

At least one lane in each direction through the intersection will remain open at all times. Access in and out of local businesses will be maintained. Drivers might experience delays traveling through the area and should seek alternate routes if possible.

Please use caution when traveling through construction zones and note that this schedule may change due to bad weather or other unexpected conditions.

This work is part of the ongoing FDOT roadway project along NW 74 Street (Perimeter Road) from NW 74 Avenue to NW 69 Avenue. For more information, please contact FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or ChristianS.Gonzalez@dot.state.fl.us. For additional information about this or other FDOT projects, please visit www.southflroads.com.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
