### **State Road (SR) 934/NW 74 Street/Hialeah Expressway Continuous Lane Closures Begin April 5**

**MIAMI, Fla.** – Beginning Wednesday, April 5 through Friday, April 28, the eastbound left turn lane and westbound right turn lane of SR 934/Hialeah Expressway will be continuously along NW 74 Street (Perimeter Road) between NW 74 Avenue and NW 72 Avenue/Milam Dairy Road for drainage work and reconstruct the road.

One lane in each direction along NW 74 Street (Perimeter Road) will remain open and access to local businesses will be maintained. Drivers might experience delays traveling through the area and should seek alternate routes if possible.

**Detour Information:** Drivers who wish to access NW 74 Street (Perimeter Road) or SR 934/Hialeah Expressway will be detoured through NW 72 Street/Milam Dairy Road. Please refer to the lane closure map below.

**Please use caution when traveling through construction zones and note that this schedule may change due to bad weather or other unexpected conditions.**

This work is part of the ongoing FDOT roadway project along NW 74 Street (Perimeter Road) from NW 74 Avenue to NW 69 Avenue. For more information, please contact FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or [ChristianS.Gonzalez@dot.state.fl.us](mailto:ChristianS.Gonzalez@dot.state.fl.us). For additional information about this or other FDOT projects, please visit [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
