## State Road (SR) 94/Kendall Drive/SW 88 Street Paving Begins April 19

*From east of SW 150 Avenue to SW 139 Avenue*

**MIAMI, Fla.** – Beginning Monday, April 19 through Thursday, April 22, 2021, the Florida Department of Transportation (FDOT) will repave and restripe SR 94/Kendall Drive/SW 88 Street from SW 152 Avenue to SW 139 Avenue.

During this work, two westbound lanes will be closed to through-traffic, and one lane will remain open at all times. The work will take place from 9 p.m. to 6 a.m. Access to Kendall Drive from side streets will be closed as needed to pave the outside lanes.

**Drivers should anticipate delays traveling through this area and seek alternate routes if possible. Please note that this schedule may change due to bad weather or other unexpected conditions.**

For more information, please contact FDOT's Public Information Office at (305) 470-5349 or Senior Community Outreach Specialist Jeanette Gorgas at (786) 239-8862, or go to the website at [www.fdotmiamidade.com](http://www.fdotmiamidade.com)

Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
