### **State Road (SR) 959/NW 57 Avenue Nighttime Lane Closures Begin June 26**

*From NW 5 Street to NW 7 Street*

**MIAMI, Fla.** – Beginning Sunday, June 26 through Tuesday, July 5, 2022, nighttime lane closures will occur along SR 959/NW 57 Avenue from NW 5 Street to NW 7 Street, between the hours of 9 p.m. and 5:30 a.m., for roadway paving. **In observance of the July 4th holiday, please note that all construction activities will be suspended starting Friday, July 1 at 5 p.m. and will resume Tuesday, July 5 at 9 p.m.**

For motorists traveling along northbound SR 959/NW 57 Avenue, one lane will remain open at all times during this operation. For motorists traveling along southbound SR 959/NW 57 Avenue, the following detours will be implemented:

- Turn right onto NW 7 Street
- Turn left onto NW 57 Court
- Turn left onto NW 5 Street to access southbound SR 959/NW 57 Avenue

The southbound SR 959/NW 57 Avenue left turn lane to eastbound NW 7 Street will not be impacted. During this operation, motorists traveling along eastbound and westbound NW 7 Street will use the detours listed above to access southbound SR 959/NW 57 Avenue. Drivers might experience delays traveling through the area and should seek alternate routes if possible.

**Please use caution when traveling through construction zones and note that this schedule may change due to bad weather or other unexpected conditions.**

This work is part of the ongoing FDOT roadway project along SR 959/NW 57 Avenue from NW 5 Street to NW 7 Street. For more information, please contact FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or [csgonzalez@corrado.com](mailto:csgonzalez@corrado.com). For additional information about this or other FDOT projects, please visit [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
