### **State Road (SR) 959/NW 57 Avenue Lane Closure Begins April 27**

*At the Intersection of NW 6 Street*

**MIAMI, Fla.** – Beginning Wednesday, April 27 at 9 p.m. through Monday, May 2, 2022, at 5:30 a.m., one outside travel lane of northbound SR 959/NW 57 Avenue at the intersection of NW 6 Street will be closed to construct a new traffic island.

During this work, at least one lane along northbound SR 959/NW 57 Avenue will remain open at all times. In order to access NW 6 Street from SR 959/NW 57 Avenue, motorists will be detoured to the following roadways: NW 7 Street (eastbound) and NW 56 Avenue (southbound). Drivers might experience delays traveling through the area and should seek alternate routes if possible.

**Please use caution when traveling through construction zones and note that this schedule may change due to bad weather or other unexpected conditions.**

This work is part of the ongoing roadway construction project along SR 959/NW 57 Avenue between NW 5 Street and NW 7 Street. For more information, please contact FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or [csgonzalez@corradino.com](mailto:csgonzalez@corradino.com). For additional information about this or other FDOT projects, please visit [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
