State Road (SR) 968/West Flagler Street Lane Closure Begins September 21

At the intersection of NW/SW 84 Avenue

Miami, Fla. – Beginning Monday, September 21, between the hours 10:30 a.m. and 3:30 p.m., the Florida Department of Transportation (FDOT) will close the left-turn lane from eastbound SR 968/West Flagler Street to northbound NW 84 Avenue to extend the left-turn lane. This closure is anticipated to last approximately four weeks.

During this closure, motorists will be detoured to make a U-turn at the intersection of NW/SW 82 Avenue and proceed along westbound SR 968/West Flagler Street to access northbound NW 84 Avenue. Motorists traveling to the Flagler Park Plaza will still be able to enter through the midblock entrance between NW/SW 84 Avenue and NW/SW 82 Avenue.

Please remember to use caution when traveling through the construction zone and seek alternate routes if possible. Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please contact FDOT's Public Information Office at (305) 470-5349 or Community Outreach Specialist Christian Gonzalez at (786) 837-4884, or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to call 511 or log on to www.fl511.com before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.
