### **Traffic Shift on State Road (SR) 972/Coral Way Begins October 24**

*At The Intersection of SW 15 Road*

**MIAMI, Fla.** – Beginning Monday, October 24 through Tuesday, October 25, between the hours of 9 p.m. and 5:30 a.m., crews will begin converting the two existing eastbound travel lanes along SR 972/Coral Way at SW 15 Road into a single lane in each direction (one eastbound and one westbound) as part of the first phase of construction.

Once the traffic shift has been implemented, the following lanes will be continuously closed until the first phase of construction is complete:

- Southbound SW 15 Road (north leg) to eastbound/westbound SR 972/Coral Way
- Southbound SW 3 Avenue to SW 15 Road (north leg)
- Westbound SW 13 Street/Coral Way to SW 3 Avenue
- Westbound traffic will be shifted onto the existing eastbound travel lanes
  - *One lane in each direction will be maintained*
- Eastbound and westbound on-street parking along SR 972/Coral Way (west of I-95) will be maintained during this phase

Pedestrian and vehicular detours will be implemented during this phase of construction. Please follow all posted signage and note that drivers might experience delays traveling through the area and should seek alternate routes if possible.

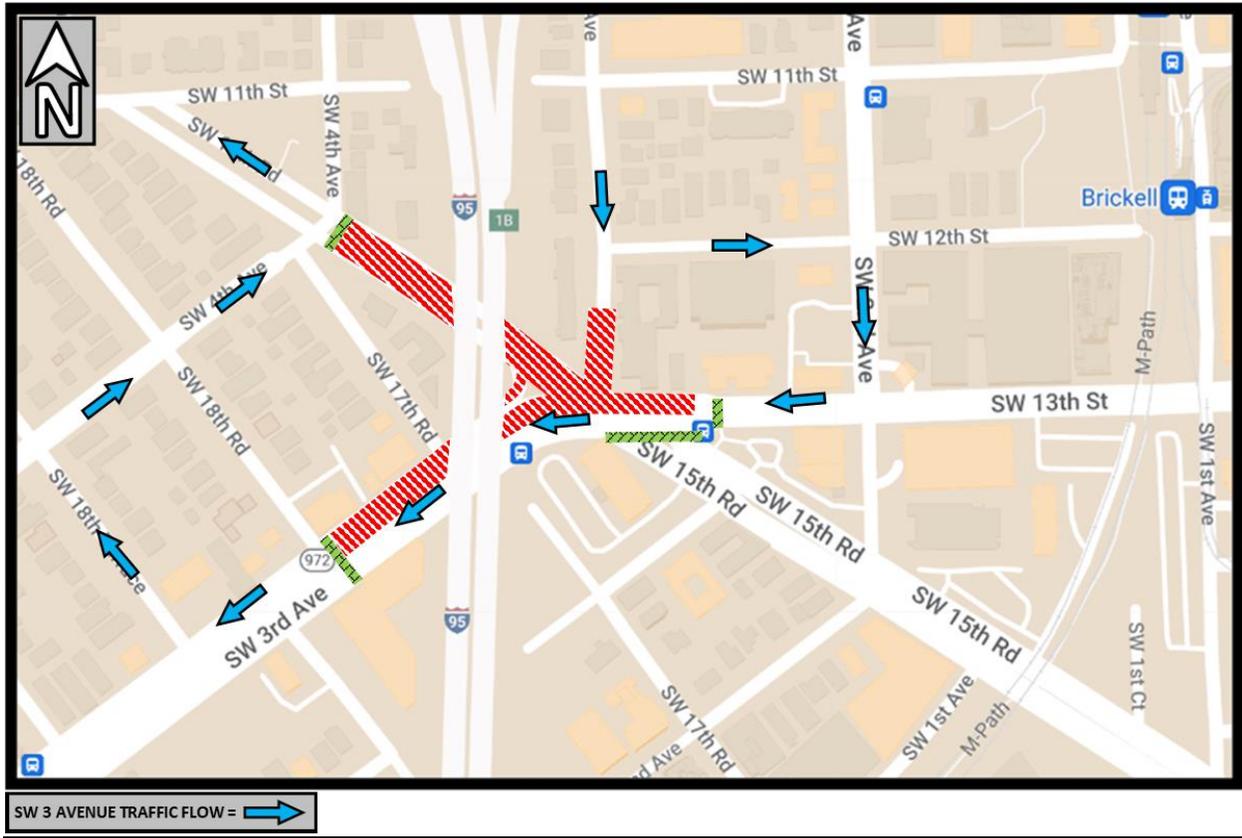

**Please use caution when traveling through the construction zone and note that this schedule may change due to bad weather or other unexpected conditions.**

This work is part of the ongoing roundabout project at the intersection of SR 972/Coral Way at SW 15 Road. For more information, please contact FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or [csgonzalez@corrado.com](mailto:csgonzalez@corrado.com). For additional information about this or other FDOT projects, please visit [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

*The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities*
