April 1, 2022

**Contact: Tish Burgher**

(305) 470-5277 | [Tish.Burgher@dot.state.fl.us](mailto:Tish.Burgher@dot.state.fl.us)

### **State Road (SR) 994/Quail Roost Drive Lane Closures Begin April 3**

*From west of SW 127 Avenue to Homestead Avenue*

**MIAMI, Fla.** –Beginning Sunday, April 3 through Thursday, April 28, 2022, travel lanes along SR 994/Quail Roost Drive from west of SW 127 Avenue to Homestead Avenue will be closed in both directions between the hours of 9 p.m. and 5:30 a.m., for roadway paving. During this operation, at least one travel lane in each direction will remain open at all times.

The work is expected to last approximately four weeks. Drivers should anticipate delays traveling through this area and seek alternate routes if possible.

**Please use caution when traveling through construction zones and note that this schedule may change due to bad weather or other unexpected conditions.**

This work is part of the ongoing roadway and lighting project along SR 994/Quail Roost Drive from west of SW 127 Avenue to SR 5/US 1/S Dixie Highway. For more information, please contact FDOT's Public Information Office at (305) 470-5349 or Senior Community Outreach Specialist Jeanette Gorgas at (786) 239-8862 or visit [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Follow us on Twitter @MyFDOT for updates on the road closure. Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
