State Road (SR) 994/Quail Roost Drive Nighttime Striping Operation Begins March 4

Between Krome Avenue and SW 137 Avenue

MIAMI, Fla. – Beginning Monday, March 4 through Friday, March 8, travel lanes along SR 994/Quail Roost Drive between Krome Avenue and SW 137 Avenue will be closed from 7:30 p.m. to 6:30 a.m. to install new pavement markings. The striping operation will be conducted in three separate phases:

- **Phase 1:** SR 994/Quail Roost Drive from SW 137 Avenue to SW 147 Avenue
- **Phase 2:** SR 994/Quail Roost Drive from SW 147 Avenue to SW 167 Avenue
- **Phase 3:** SR 994/Quail Roost Drive from SW 167 Avenue to Krome Avenue

Please note that during each phase listed above, **access to local traffic and residential properties will be maintained at all times. All non-local traffic must bypass the work zone from either direction of SR 994/Quail Roost Drive by using SW 216 Street as an alternate route.** See detour maps on second page of press release.

Please use caution when traveling through construction zones and note that this schedule may change due to bad weather or other unexpected conditions.

This work is part of the ongoing FDOT roadway project along SR 994/Quail Roost Drive from Krome Avenue to SW 137 Avenue. For more information, please contact FDOT's Public Information Office at (305) 470-5349, or Construction Community Outreach Specialist Christian Gonzalez at (786) 837-4884 or ChristianS.Gonzalez@dot.state.fl.us. For additional information about this or other FDOT projects, please visit www.southflroads.com.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
