State Road (SR) 9/NW 27 Avenue Southbound Bridge Closed Tonight

MIAMI, Fla. – The southbound bridge along SR 9/NW 27 Avenue over the Miami River (bridge number 870763) will be closed for repairs tonight, February 8, between 9 p.m. and 5:30 a.m. During this closure, motorists traveling southbound on NW 27 Avenue will be directed to:

- Turn east on NW 20 Street
- Turn south onto NW 22 Avenue
- Turn west on NW 14 Street
- Continue south on NW 27 Avenue.

Maritime traffic is not expected to be impacted by the closure. The northbound bridge will not be impacted.

Please note that this schedule may change due to bad weather or other unexpected conditions. For more information, please call FDOT's Public Information Office at (305) 470-5349 or Construction Community Outreach Specialist Melissa Rodriguez at 1 (305) 570-8076 or go to the website at www.fdotmiamidade.com.

Drivers are encouraged to log on to www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicles crashes. Please drive cautiously in construction zones.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
