SW 137 Avenue Lane Closure at SR 90/SW 8 Street Begins June 24 (UPDATE)

MIAMI, Fla. – The right turn lane from northbound SW 137 Avenue to eastbound SR 90/SW 8 Street will be continuously closed beginning tonight, Thursday, June 24 through Monday, June 28, for sidewalk restoration. The sidewalk will also be closed, and a temporary pedestrian detour will be established during this work.

During this closure, motorists traveling to eastbound SR 90/SW 8 Street will use the outside through lane of northbound SW 137 Avenue. Drivers should anticipate delays and seek alternate routes if possible. **Please note that this schedule may change due to bad weather or other unexpected conditions.**

For more information, please contact FDOT's Public Information Office at (305) 470-5349 or Community Outreach Specialist Christian Gonzalez at (786) 837-4884, or visit www.fdotmiamidade.com.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Please drive cautiously in construction zones.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
