State Road (SR)112/I-195/Julia Tuttle Causeway Single Lane Closure on Westbound Ramp to State Road (SR)5/Biscayne Boulevard

MIAMI, Fla. – Starting Wednesday, March 2, the off ramp outside lane and shoulder of SR 112/I-195/Julia Tuttle Causeway westbound to Biscayne Boulevard will be closed for maintenance work underneath the bridge. During this closure, one lane will remain open at all times. This closure will last about two weeks.

Please note this schedule may change due to bad weather or other unexpected conditions. Drivers should anticipate delays traveling through this area.

For more information, please contact FDOT's Public Information Office at (305) 470-5349, or District Six Structures Maintenance Engineer Pablo Orozco at (305) 470-5370, or at pablo.orozco@dot.state.fl.us. For additional information regarding this or other FDOT projects, please visit www.fdotmiamidade.com.

Drivers are encouraged to log on www.fl511.com to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicles crashes.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
