Closures of Southbound I-95 and State Road (SR) 836 Tonight March 15

MIAMI, Fla. – On Friday evening, March 15, all southbound lanes on I-95 will be closed at SR 836 starting at 11 p.m. until 8 a.m. Saturday morning, March 16, for the installation of bridge beams over the roadway. The southbound I-95 ramps to SR 836 and I-395 will remain open during this time frame.

- Non-Tolled detour route for southbound I-95:
 - Exit at the SR 836 West Ramp, then exit at NW 14 Street
 - Turn left at NW 12 Avenue, then turn left at NW 11 Street
 - Turn right at NW 8 Street Road, then turn left at NW 8 Street
 - Turn right at NW 3 Court to access the I-95 south ramp after NW 2 Street
- Tolled detour route for southbound I-95:
 - Exit at the SR 836 West Ramp, then exit at NW 12 Avenue
 - Turn left at NW 12 Avenue to access the SR 836 east entrance ramp
 - Continue east on SR 836 to access the I-95 south ramp

Please note that this schedule may change due to bad weather or other unforeseen conditions. The work is part of the I-395/SR 836/I-95 Design-Build Project that will reconstruct the I-395 corridor from the SR 836/I-395/I-95 (Midtown) Interchange to the MacArthur Causeway Bridge.

For additional information, please contact the Florida Department of Transportation Communications Office at 305-470-5349 or Community Outreach Specialist Oscar Gonzalez at 786-280-0983. Additional project information can be found on the project website, www.I-395miami.com.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities.
