### **State Road (SR)112/W 41 Street/Arthur Godfrey Road Bridge Lane Closures Begin April 4**

**MIAMI, Fla.** – The Florida Department of Transportation (FDOT) has scheduled lane closures along SR 112/W 41 Street/Arthur Godfrey Road Bridge over the Indian Creek Canal from 9:30 p.m. to 5:30 a.m., Monday, April 4 through Friday, April 8, 2022, for maintenance. During this work, at least one lane in each direction will remain open at all times.

**Please note this schedule may change due to bad weather or other unexpected conditions. Drivers should anticipate delays traveling through this area.**

For more information, please contact FDOT's Public Information Office at (305) 470-5349, or District Six Structures Maintenance Engineer Pablo Orozco at (305) 470-5370, or at [pablo.orozco@dot.state.fl.us](mailto:pablo.orozco@dot.state.fl.us). For additional information regarding this or other FDOT projects, please visit [www.fdotmiamidade.com](http://www.fdotmiamidade.com).

Drivers are encouraged to log on [www.fl511.com](http://www.fl511.com) to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicles crashes.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
