Traffic Shift along Southbound SR 25/US 27/Okeechobee Road Rescheduled to October 22 October 22, 2025

MIAMI, Fla. – Starting at 9 p.m. on Wednesday, October 22, 2025, travel lanes along southbound State Road (SR) 25/US 27/Okeechobee Road, between NW 95 Street and NW 79 Avenue, will be shifted north to create space for a new work zone. In addition, southbound travel lanes on the NW 79 Avenue bridge will be reduced from three lanes to two. Please use caution and follow the posted signage.

This project is part of the corridor wide reconstruction of the Okeechobee Road from the Broward County Line to Palmetto Expressway. This work will improve safety, enhance mobility along this Strategic Intermodal Systems (SIS) corridor, and inspire innovative transportation solutions, connecting commuters throughout Miami-Dade County.

For more information, please contact FDOT's Communications Office at (305) 470-5349 or visit, www.southflroads.com/okeechobee.

For real-time traffic and lane closure information, drivers are encouraged to visit www.fl511.com.

Remember, wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes. Always be safe and remain alert while driving in construction zones.
