Upcoming Nighttime Full Closure along State Road (SR) 112/ I-195/Julia Tuttle Causeway February 1

MIAMI, Fla. – On Thursday night, February 1, 2024, there will be a full nighttime closure of the eastbound and westbound lanes along SR 112/I-195/Julia Tuttle Causeway between 9 p.m. and 5:30 a.m. The closures are necessary to install a new overhead sign structure. During the work SR A1A/MacArthur Causeway will be used as the alternate route. All lanes will reopen by 5:30 a.m., Friday, February 2. Please note should weather or unforeseen circumstances occur, Sunday night, February 4 will be used as the alternate date for the full nighttime closure. A detour will be established to guide drivers around the work. Traffic will be detoured as follows:

Drivers traveling from the City of Miami wishing to use eastbound SR 112/I-195/Julia Tuttle Causeway will have to:

- Continue south on US 1/Biscayne Boulevard
- Turn east onto the MacArthur Causeway, just before the NE 11 Terrace traffic light

City of Miami Beach drivers wishing to travel west on SR 112/I-195/Julia Tuttle Causeway will have to:

- Continue south on SR 907/Alton Road
- Turn west onto the McArthur Causeway

Drivers traveling southbound along I-95 wishing to continue east to City of Miami Beach will have to:

- Continue south on I-95
- Use exit 2D on the left to enter I-395
- Continue east on I-395
- Merge onto the MacArthur Causeway
- Continue east on the MacArthur Causeway

Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at (305) 470-5349 or Senior Construction Community Outreach Specialist Melissa J. Rodriguez at 1 (305)

570-8076 or Melissa@hmlpublicoutreach.com. For additional information about this or other FDOT projects, please visit www.southflroads.com.

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
