### **Nighttime Westbound Closures along State Road (SR) 112/ I-195/Julia Tuttle Causeway Begin April 28**

**MIAMI, Fla.** – Beginning Sunday, April 28, there will be a series of nighttime closures of the westbound lanes along SR 112/I-195/Julia Tuttle Causeway. The closures will occur nightly, Sunday, April 28 through Tuesday, April 30, from 9 p.m. to 5:30 a.m. All lanes will reopen from 5:30 a.m. to 9 p.m., daily. The closures are necessary to complete work on the new overhead sign structure. During the work SR A1A/MacArthur Causeway will be used as the alternate route. The eastbound lanes will remain open at all times. A detour will be established to guide drivers around the work. Traffic will be detoured as follows:

**City of Miami Beach drivers wishing to travel west on SR 112/I-195/Julia Tuttle Causeway will have to:**

- Continue south on SR 907/Alton Road
- Turn west onto the MacArthur Causeway
- Continue west to I-395
- Option to travel north or south on I-95

Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at (305) 470-5349 or Senior Construction Community Outreach Specialist Melissa J. Rodriguez at 1 (305) 570-8076 or [Melissa.Rodriguez@dot.state.fl.us](mailto:Melissa.Rodriguez@dot.state.fl.us). For additional information about this or other FDOT projects, please visit [www.southflroads.com](http://www.southflroads.com).

Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

###

*The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities*
