Upcoming Full Road Closure on State Road (SR) 90/US 41/Brickell Avenue Bridge

MIAMI, Fla. – The Florida Department of Transportation (FDOT) will close both northbound and southbound lanes of SR 90/US 41/Brickell Avenue Bridge from 9 p.m. to 5 a.m., from Monday, December 20 through Wednesday, December 22, 2021, for maintenance in Miami-Dade County.

During this closure, all vehicular traffic will be detoured away from the bridge and directed to follow signs to alternate local streets. Marine traffic will not be affected.

Traffic will be detoured as follows:

Drivers south of the Brickell Bridge who want to go north will:

- Go west on SW 7 Street
- Turn right on SW 2 Avenue
- Continue north to SW 1 Street
- Turn right on SW 1 Street to get to SR 5/Biscayne Boulevard

Drivers north of the Brickell Bridge who want to go south will:

- Go west on SE 2 Street
- Turn left on S. Miami Avenue
- South Miami Avenue will become SW 1 Avenue at SW 7 Street
- Go south on SW 1 Avenue to SW 8 Street
- Turn Left on SW 8 Street to get to Brickell Avenue

Please note this schedule may change due to bad weather or other unexpected conditions.

For more information, please contact FDOT's Public Information Office at (305) 470-5349, or District Six Structures Maintenance Engineer Pablo Orozco at (305) 470-5370 or pablo.orozco@dot.state.fl.us. For additional information regarding this or other FDOT projects, please visit www.fdotmiamidade.com

Drivers are encouraged to log on to www.fl511.com before they travel to get real-time traffic and lane closure information. FDOT would like to remind drivers that wearing a safety belt is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

Improve Safety, Enhance Mobility, Inspire Innovation
FDOTMiamiDade.com | @MyFDOT_Miami | Facebook.com/MyFDOTMiami

The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities
