## State Road (SR) 112/I-195/Julia Tuttle Causeway Continuous Lane Closure Begins Friday, November 3

*One westbound lane continuously closed; Two westbound lanes nightly*

**MIAMI, Fla.** – Beginning Friday night, November 3 through Monday morning, November 6 one westbound inside lane along SR 112/I-195/Julia Tuttle Causeway will be continuously closed for median work and guardrail installation. A second westbound lane will close nightly at 9 p.m. to perform the median reconstruction work. At least one westbound lane will remain open at all times. Lane closures will be as follows:

**Friday, November 3** – Two westbound lanes along SR 112/I-195/Julia Tuttle Causeway will be closed from 9 p.m. to 5:30 a.m.

**Saturday, November 4** – One westbound inside lane along SR 112/I-195/Julia Tuttle Causeway will remain continuously closed. A second inside westbound lane may be closed as needed from 9 p.m. to 5:30 a.m.

**Sunday, November 5** – One westbound inside lane along SR 112/I-195/Julia Tuttle Causeway will remain continuously closed. A second inside westbound lane may be closed as needed from 9 p.m. to 5:30 a.m. All three lanes will be open by 5:30 a.m., Monday, November 6.

Eastbound traffic will not be impacted. Please note that this schedule may change due to bad weather or other unexpected conditions.

For more information, please call FDOT's Public Information Office at (305) 470-5349 or Senior Construction Community Outreach Specialist Sandra Bello at 1 (305) 510-0827 or [Sandra@hmlpublicoutreach.com](mailto:Sandra@hmlpublicoutreach.com). For additional information about this or other FDOT projects, please visit [www.southflroads.com](http://www.southflroads.com).

Drivers are encouraged to log on to [www.fl511.com](http://www.fl511.com) before they travel to get real-time traffic and lane closure information. The Florida Department of Transportation reminds motorists to always drive safely and avoid distractions while driving. Remember to put down cell phones. Florida law restricts motorists from using a wireless device in a school zone or an active construction zone.

*The Florida Department of Transportation's mission is to provide a safe transportation system that ensures the mobility of people and goods, enhances economic prosperity, and preserves the quality of the state's environment and communities. The department is committed to building a transportation system that not only fits the current needs of Florida's residents and visitors, but also enhances mobility throughout the state to accommodate its consistent and rapid growth. The unique nature of the Sunshine State and its year-round warm climate provides numerous opportunities to achieve the department's mission through multiple transportation modes including highways/streets, air, rail, sea, spaceports, transit, and the ever-expanding deployment of bicycle & pedestrian facilities*
